Dear Potential Exhibitor,

On May 18th-20th, 2018, the Canadian Down Syndrome Society will be hosting our National Conference in Hamilton, Ontario at the Sheraton Hamilton Hotel.

Each year, the Canadian Down Syndrome Conference acts as a platform to share cutting-edge developments and information from specialists in their respective fields, as it relates to Down syndrome. Information in the fields of medical, health, social, research, education and advocacy programs will be shared with a collection of 400-500 members of the community in the form of plenary/keynote speakers, state-of-the-art reviews, panel discussions and presentations. Pertinent issues such as full

inclusion, quality of life, family support, early intervention, education - literacy, community living and employment, immigration and financial planning will be discussed. The accomplishments of people with Down syndrome worldwide, in education, the arts, sports, community contribution and employment will be highlighted and celebrated during this annual three-day event.

We anticipate that the conference will be a resounding success and, in analyzing the interests of our delegates, would like to invite you to participate as an exhibitor at our conference. We have made the rates very reasonable to encourage organization's participation for the benefit of our delegates. As you will see on our attached application form, for-profit organizations pay \$250 and non-profit organizations pay \$150. The costs include a 6 foot table, two chairs and 3 electrical outlets. Please note taxes may apply based on province.

Thank you for your support of our conference. Please feel free to contact me personally at anytime if you have any questions.
